About 360PSM

360PSM serves government agencies by providing non-engineering services with services of monitoring Labor Compliance and Prevailing Wages for Public Works Projects

Core Competences:

- Review the labor compliance provisions of the contract with the contractor at the pre-construction.
- Check Certified payrolls.
- Conduct employee interviews
- Maintain written evidence of apprentices employed on the project.
- Cross Check daily reports, interviews, payrolls, and prevailing wage rates.
- Document that the required posters and wage rates are displayed at the job site
- Compare all force account (time and material) billings to certified payrolls
- Identify labor deficiencies and prepare letters of findings

NAICS Codes:

- 541611
- 541613
- C8700
- C8801

Our Approach:

We work as a team and we utilize our strength and expertise to add value to our customers

The President of **360PSM**, Catalina Ferreto (pictured above), providing services to The Pajaro/Sunny Mesa Community Services District (PSMCSD) Tank Project Critical Water Supply Improvements
